

Alice's Adventures in Wonderland

Wonderland: Weird, Funny, or Both?

Wonderland is full of strange rules, odd conversations, and surprises. You do not have to solve it. Just notice what made you laugh, wonder, or shake your head.

Let's talk about the story

1. What is the strangest thing that happens to Alice?

2. Which character says or does something that makes almost no sense? What happens?

3. What is one moment you thought was funny?

4. If Alice could ask one Wonderland character a serious question, who should she ask and what should she ask?

Alice's Adventures in Wonderland

Wonderland: Weird, Funny, or Both?

Keep it simple. Answer in your own words, and have fun with the story.

Make a Wonderland rule

Invent one silly rule for Wonderland. Then explain what might happen if Alice had to follow it for a whole day.

Quick story check

1. Who would you avoid in Wonderland?

2. Who would you actually like to meet?

3. What part of Wonderland would you want to see for yourself?

For the grown-up: Let the child answer from memory first. If they want to check the book afterward, that is part of the learning too. Conversation matters more than perfect wording.
