

Anne of Green Gables

See It Anne's Way

Anne can make an ordinary place feel magical just by the way she sees it and names it.

Let's talk about the story

1. What is one place Anne makes sound more interesting than it did before?

2. What name or description from Anne made you smile?

3. When does Anne's imagination help her? When does it get her into trouble?

4. Which person in Avonlea understands Anne best? What do they do?

3. What is one thing Anne cares about very deeply?

For the grown-up: Let the child answer from memory first. If they want to check the book afterward, that is part of the learning too. Conversation matters more than perfect wording.
